To the honourable Court of probats at Guilford
these may Certifie that I the Subscriber being desired to
give my opinion what a certain piece of meadow set out
to Submit Buell of Killingworth) ~~it~~ might be worth as to
the Improvement by the year: which meadow James Buell
(Guardian to sd Submit) hath had the benefit & improve-
ment of for the space of nine years: it is my candid
Judgment that y^e said mead^e would have let for 20 pr
year one year with another for the whole term of 9 y^{rs}
Exclusive of the charges as rates & fence &c. - I think it
lies for but one acre and quarter: but I suppose it will
measure at least two acres & half. according to my obser-
vation y^e meadow yeilds ordinarily 4 loads a year the
bulk of it good red top hay. it lies in y^e planting field
which is all at present from your Ser:
