

DIED: At his residence in this town
ship, soon after midnight, between Tues-
day and Wednesday, September 6th and 7th,
Mr. John Heath, aged 53 years and six
months, of heart failure. His funeral
takes place to-day at 2 o'clock, p. m., Rev.
I. Mooney conducting the services. John
Heath was one of the earliest settlers, and
his death removes one of the old land-marks
from our midst, for he was well known in
the neighborhood. A large family of chil-
dren and grandchildren mourn his loss, be-
sides his wife who is left to lonesomeness
and advancing age. We all sympathize
with the bereft family and trust that time
may heal the poignancy of their sorrow.—
