

Mr. Editor.

Towanda, Nov. 15 1890.

Sir, I am over here and still no better and don't think I ever shall be. I wish to thank Mr. Geo. Robinson and the good citizens of El Dorado for their kind present of a new suit of clothes, also a present from our rustling little merchant Mike Orban. And I wish to return my sincere thanks to the people of Towanda for their kindness to me during my sickness.

JOHN HEATA.
