Notes: Irene Elizabeth Martin and Nellie McNamera have come out from Chicago to live with the Dohneys. Bridget McNamera Dohney is Nellie's older sister and Irene's aunt. They had been living with Anne McNamara who is Nellie's mother and Irene's grandmother. Irene's brother James has stayed behind in Chicago. Irene's mother (Kate McNamara Martin) had passed away in 1878. Their father Joseph obviously felt incapable of raising the two children which is why James and Irene began living with Ann McNamara. Irene will stay with the Dohney's until her marriage to Thomas F. Carroll in 1899.
