VOLUNTEER ENLISTMENT.

STATE OF

Illinois

TOWN OF

Chicago

I, *James M. Manuora* born in _____
in the State of *Illinois*, aged *Twenty* years,
and by occupation a *laborer*. Do HEREBY ACKNOWLEDGE to have
volunteered this *third* day of *October*, 1864,
to serve as a **Soldier** in the **Army of the United States of America**, for
the period of ~~THREE~~ *THREE* YEARS, unless sooner discharged by proper authority:
Do also agree to accept such bounty, pay, rations, and clothing, as are, or may be,
established by law for volunteers. And I, *James M. Manuora*, do
solemnly swear, that I will bear true faith and allegiance to the **United States
of America**, and that I will serve them honestly and faithfully against all
their enemies or opposers whomsoever; and that I will observe and obey the
orders of the President of the United States, and the orders of the officers
appointed over me, according to the Rules and Articles of War.

Sworn and subscribed to, at *Chicago*, *Illinois*,
this *3rd* day of *October*, 1864, by *James M. Manuora*

BEFORE *Capt. J. R. Mank* 1st Dist. Ill.

I CERTIFY, ON HONOR, That I have carefully examined the above-named Volunteer, agreeably
to the General Regulations of the Army, and that, in my opinion, he is free from all bodily defects and
mental infirmity, which would in any way disqualify him from performing the duties of a soldier.

J. M. Manuora
1st Dist. Ill.
EXAMINING SURGEON.

I CERTIFY, ON HONOR, That I have minutely inspected the Volunteer *James M. Manuora*
previously to his enlistment, and that he was entirely sober when enlisted; that, to the best of my
judgment and belief, he is of lawful age; and that, in accepting him as duly qualified to perform the
duties of an able-bodied soldier, I have strictly observed the Regulations which govern the recruiting
service. This soldier has *hazel* eyes, *dark* hair, *dark* complexion, is *5-7*
feet *7 1/2* inches high

Capt. J. R. Mank 1st Dist. Ill.
Regiment of _____ Volunteers,
RECRUITING OFFICER.

(A. G. O. No. 74 & 76.)

Mustered into the service of the United States, for ~~three~~ ^{one} year or during the war, from date of enlistment, in Company _____
Regiment of *1st* *Ill* Volunteers, on the *3rd* day of *Oct*, 1864, at *Chicago* Ill.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

FORM 6.—PAYMASTER'S RECEIPT.

RECEIVED from Captain John Brown, Company A, 1st Pennsylvania Volunteers, at Fort Brown, Texas, January 10, 1864, twenty-eight dollars and fifty cents, the result of the sale of the effects of the late Private John Smith, of Company A, 1st Pennsylvania Volunteers.

WM. C. MORSE, Paymaster U. S. Army.

ARTICLES OF WAR.

ART. 95. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

DIRECTIONS.

NOTE 1.—One copy of the inventories of the effects of deceased non-commissioned officers and soldiers, required by the 95th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., in duplicate, will be sent to the Adjutant General with one copy of the inventory. Both inventory and final statements should be forwarded, as a general rule, through Regimental Headquarters. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish, direct to the Adjutant General, the required inventory and final statements, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed "Inventory of the effects of _____, late of company _____, who died at _____, _____, 186____, _____ day of _____, 186____."
