

WILLETTSVILLE.

(Delayed Communication.)

The mud roads are very bad.

Good sugar weather but rather late in the season.

We will have no school in our village this summer.

Mrs. W. A. Shepherd has been engaged to teach the summer school in district No. 2.

Now is the time to circulate the turnpike petitions since the people can readily appreciate such roads.

Mr. Hook's sale which took place on the 11th inst., was pretty well attended notwithstanding the inclemency of the weather.

The Union township school library which has been kept at Mr. Jonah Britton's for some time, has been removed to Mr. Rankin's.
