The Boy Club at the Ottawa Chautauqua Assembly has become a strong feature. Last year nearly 200 boys from 9 to 16 camped on the Assembly grounds Prof. Larimore, the director, will have two able assistants this year. The boys are well cared for: the management has made every provision for the boy's comfort and safety. Send to the secretary for boys Club folder, giving complete information.

Call for Union Temperance Meetings.

The State Temperance Union sounds a call to the churches of the state to hold periodical union temperance meetings as often as possible. Such meetings are now held at many points and in some places often as monthly. The aim of the Union is to have as many of these meetings held as possible, in order that public sentiment may be stirred into vigorous activity throughout the state. It asks that the meetings appoint correspondents to report the work regularly to the Union.

We need at once a few more teachers, both experienced and inexperienced. We have more calls this year than ever before. Schools and colleges supplied with competent teachers free of cost. Address with stamp, AMERICAN TEACHERS' ASSOCIATION, J. L. GRAHAM, LL. D., Mgr. Memphis, Tenn.
