

**MR. AND MRS. G. UNDERWOOD
CELEBRATED 50TH WEDDING
ANNIVERSARY MAY 10**

Mr. and Mrs. George F. Underwood of 4033 Glen Albyn Drive, Los Angeles, Cal., celebrated their golden wedding anniversary in their beautiful home on the evening of May 10th. They were both natives of Mayville and after being married here went to Buffalo to reside. Seventeen years ago they made their home in California.

Over 100 church friends and neighbors helped them celebrate. Dr. Roy L. Smith of the First Methodist Episcopal church of Los Angeles, in a happy speech, tendered his congratulations as well as his associate pastors, Revs. Gerald B. Harvey and George E. Carey.

A sextette of young women from the Hollywood Methodist church sang several delightful numbers and a male quartette harp and violin solos, with piano readings added to the musical selections. Ice cream, cake and coffee were served.

They have two sons, E. Victor and Francis O, who are connected with the G. L. F. in Ithaca, N. Y., and one son, Harry C., who is a teacher at Fairfax High School, Los Angeles. They also have four grandsons and one granddaughter.

Messages and flowers were received from friends and the pastors and members of their church presented them with a beautiful painting representing Autumn.
